

Nordic Cup 2011

Kære nordiske golfere/dear Nordic golfers,

Thank you for your contribution to this year's Jyske Bank Nordic Cup.

We were very happy to see so many players take part.

Here is a run-up of the result. Our apologies to the team from Iceland-Norway. We subtracted the 2 lowest scores from their total. We should only have subtracted 1, since they were only 9 players. They therefore move up to 4th place.

Winner: Denmark 2 with 263 points

Runner-up: Denmark 1 with 256 points

3rd: Finland 1 with 246 points

4th: Iceland-Norway with 240 points

5th: Finland 2 with 239 points
